

Developing Family Rules

Brainstorm Problems

List things we want to change in our family.
Each child contributes at least 5 ideas.

Create the Rules:

Summarize into 4-5 General Rules:

Safety Rule

Respect Rule

Compassion Rule

???

Make sure everyone understands the rules!

Parents Follow the Rules Too!

Parents should follow the rules they set,
no "I'm the parent" excuses.

To Post or Not to Post?

Decide if posting the rules works for your family.

Keep It Simple & Clear

Explain why each rule is needed.

Be Consistent & Fair

Rules apply to everyone in the family.
